### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with the Attorney of Record, Thomas Anderson on May 30, 2006.

The application has been amended as follows:

**-Cancelled claims 5 and 6** from the After-Final amendment filed on May 16, 2006

#### ***Allowable Subject Matter***

Claims 1-4 and 7-20 are allowed.

The following is an Examiner's statement of reasons for allowance: as noted in Final Office Action (11/16/05) the prior art of record does not disclose or fairly suggest a pair or guide rods or guide tubes as set forth in claims 1, 8, 14 and 20.

Neither the prior art of record nor any combination thereof discloses the claimed invention as set forth in claims 1, 8, 14 and 20. Therefore claims 1-4 and 7-20 are deemed allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
